

DOG LICENSING

The Village of Birnamwood requires all dogs & cats be vaccinated for rabies and licensed. Licenses are for one year (expire December 31st) and must be renewed annually. **The dog/cat owner must take care of this responsibility each year by March 31st!**

Dog/cat owners who fail to license their animals by March 31st will be subject to a late fee of \$5.00 and an additional late fee of \$10.00 will be assessed after April 30th! The Village Treasurer will notify Shawano County Sheriff of any unlicensed animals for appropriate fine. The Board has also designated a Dog Lister, who will verify all dogs are licensed with the Village.

No licenses will be issued without a certificate of rabies vaccination. All animals 5 months and older must have a rabies vaccination by a veterinarian. **This is a state imposed law.**

Please mail Certificate of Rabies Vaccination when applying for a dog license by mail. Certificate of rabies vaccination will be returned with dog/cat license.

If you no longer have a dog that was licensed in the Village last year, please notify the treasurer by mail or phone in order for us to remove it from our records.
